Just so we could have a hope to live eternally with Him

Verse 2

By His stripes we're healed, by His side we'll walk
At His feet we'll kneel and pray and praise His name forevermore
Oh, the peace will be within us, Oh, how happy we shall be
In the presence of our Savior; Oh, what joy forevermore

Verse 4

By His stripes we're healed, by His pardon saved
With His tenderness He loves us, with His mercy we're set free
Can't you hear our Master calling? Can't you see Him on His way?
Waiting just to take His children home, yes to take his children home
