## *INTERLUDE*

## *VERSE 3*

And when the chords of my life ring in minor keys  
And the rhythm of my heart beats a cadence against my chest  
I hear Your Voice; You sing into my soul  
Restoring peace, rhythm and harmony

*BRIDGE*

The powers will praise; The angels will praise

The heavenly hosts will shout with joy

The planets will praise; the comets will praise

The stars in the sky show forth His glory

The oceans will praise; the mountains will praise

The trees of the field will clap their hands

The nations will praise; The peoples will praise

And I'll raise my hands and praise His name
